GREETINGS FROM THE PRINCIPAL

2009-2010 School Year

Welcome to our school website and to Prince of Peace Lutheran School! The Faculty and Staff are looking forward to welcoming you to the 2009-2010 School Year. We have all been anxiously waiting and praying, planning and preparing to greet new and returning families to our Prince of Peace School Community. This September we begin our 41st year of ministry to young children and their families! Each child that comes through our door is a unique gift from God and we thank each family for allowing us to be part of their earliest education.

The Faculty and Staff are all dedicated to creating a dynamic learning place for all children and to sharing the love of Jesus and His good news in gentle ways. Each staff person has a heart~ and a calling ~ to the teaching profession, to the teaching ministry. Each one has a passion for working with young children, with families, and with one another.

Both our preschool and our kindergarten programs are accredited by National Lutheran Schools Accreditation [NLSA], a rigorous accrediting agency that reviews all areas of the learning experience for young children in its assessment study and validation process. These areas include faculty and staff qualifications and experience, the facilities, and the curriculum. Additionally, our accreditation sets high expectations and standards for teaching to all domains of a child's growth and development and learning ~ intellectually and cognitively; physically, emotionally, and socially; and spiritually. Because we seek to embrace excellence in all that we do, we strive not only to *meet* but to *exceed* all standards ~ and we do! We regard it as a privilege when families choose us as a safe and secure, happy and nurturing Christian learning place for their children.

I invite you to tour us virtually and on our campus. We would love for you to see if we might be the place for your young child's learning. Please call Marcel Page, our School Registrar, to arrange a visit.

God's Peace and Blessing's to you,

Cindy Deatherage
